
LIFT TICKET & LODGING PACKAGES

You can save a significant amount of money by bundling our lodging with Jackson Hole Mountain Resort (JHMR) lift tickets through our online booking engine. Select your tickets and see how much you can save versus booking lodging and separately purchasing lift tickets at window prices. Be sure to purchase tickets early, as due to COVID-19, skier numbers will be limited per day.

HOW IT WORKS

1. Select your lodging followed by dates during which JHMR is open. Our ticketing purchasing platform will load automatically, as long as you book 21 days or more prior to arrival.
2. Add tickets to the package and see what savings we can offer you. Lift tickets must be purchased through Outpost **AT LEAST** 21 days prior to your arrival.
3. We will have your lift tickets waiting for you in your rental upon your arrival. Simply grab your gear, head to the mountain and hop on the lift.

COVID-19 PRECAUTIONS

What is different this year:

1. We recommend purchasing your tickets as early as possible, as JHMR will be limiting the number of skiers/riders permitted on the slopes each day. As a result, some days will sell out. Tickets can be canceled 14 or more days in advance for a full refund.
2. You must have the following information for **EVERY** skier in your group: (**First and Last Name, Date of Birth, Phone #, Email**). You will not be allowed to check out without entering this information for every lift ticket holder.
3. Lift tickets are **NOT GUARANTEED** until Outpost has confirmed with JHMR that tickets are still available for purchase for the dates you have chosen. **It is important to purchase lift tickets as early as possible.**
