LIFT TICKETS & LODGING PACKAGES

You can save money by bundling our lodging with Jackson Hole Mountain Resort (JHMR) lift tickets through our online booking engine. Select your tickets and see how much you can save with us, compared to booking lodging separately and purchasing lift tickets at window prices.

To improve guest's experiences on the mountain and throughout the resort, JHMR will continue to limit the sale of daily tickets and manage capacity for a third consecutive year.

HOW IT WORKS

1. Select your lodging followed by dates during which JHMR is open. Our ticket purchasing platform will load automatically, as long as you book 14 days or more prior to arrival.
2. Add tickets to the package and see what savings we can offer you. Lift tickets must be purchased through Outpost AT LEAST 14 days prior to your arrival.
3. We will have your lift tickets waiting for you in your rental upon your arrival. Simply grab your gear, head to the mountain and hop on the lift.

MORE INFO

1. JHMR availability is limited and **they can sell out**. We highly suggest reserving lift tickets as soon as you have lodging.
2. All purchases must be made more than 14 days prior to your arrival date. All cancellations must be made at least 7 days prior to your first day of skiing. Once you are inside of this cancellation policy tickets are non refundable.
3. You must have the following information for EVERY skier in your group: (First and Last Name, Date of Birth, Phone #, Email). You will not be allowed to check out without entering this information for every lift ticket holder.
4. When submitting a request for lift tickets, please note that your passes are not yet confirmed. Outpost will need to check availability with JHMR first. We will follow up within 24 hours with a confirmation email, once your ticket purchase has been finalized. Your credit card will not be charged until then.
5. Outpost does not receive a flat percentage discount since prices fluctuate throughout the season. That being said, please note that Outpost never receives a discount during the Holiday or Peak rates.
